	Origami White	SW 7636	(233, 228, 218) / #E9E4DA

- Home Trim colors can either be Black, White, Cream, or a variation of the home body color (lighter or darker) and reds
- The garage doors should be the color of the home or the color of the trim
- Front Door: owner's and ARB's discretion.
- This palette is a guide. Homeowners do not have to specifically select an exact color from this group but should use this as a guide for their selection. They may want to go a little lighter or a little darker but should still be within the range of the palette.
